

An ISO 9001 : 2008 Company

Rajasthan Metal & Chemical Industries

To Respected Partners,

This letter is to certify that Aarush Gupta undertook a creativity-based learning experience at Rajasthan Metal & Chemical Industries at 4/01/2026, focused on independent research and skill development.

During this period, he researched modern technologies and business-related concepts, organised information from multiple sources, and reflected on how these ideas can be applied in real-world contexts. He demonstrated creativity through analytical thinking, structured note-making, and synthesis of information.

Aarush showed responsibility, curiosity, and commitment throughout this experience. This activity contributed to his intellectual development and creative problem-solving skills.

For,

Vinay
